ABOUT THE TYPE 1 CHAMPIONS SCHOLARSHIP PROGRAM

The Type 1 Champions Scholarship Program helps students attend college.

Scholarships will recognize worthy students and will be based on several criteria. Ultimately, the awards will go to the students who:

- Have a strong desire for and are making a commitment to their education
- Honor the beliefs of our vision for the children and young adults we serve--a culture of engaged students who just happen to have Type 1 diabetes and have chosen to have a fighting spirit and not let Type 1 get in their way. This is evidenced through every day conduct and character, leading by example with contributions to family, school, and community.
- Character matters. Kindness. Goodness. Respect. Empathy. Towards all.
- Activities and grades will be considered as well as their engagement in a healthy self management of their Type 1 diabetes.
- Candidates are not required to demonstrate financial need.

Scholarships can be used at any college or university in the United States.

For the 2022-2023 academic year, there will be at least four (4) scholarships available for Missouri and Kansas students who battle Type 1 diabetes to apply for:

BARRY DAN HARSH MEMORIAL

SCHOLARSHIP: \$2,000

LANDRY HODGES SCHOLARSHIP: \$2,000

BLASCHKE FAMILY SCHOLARSHIP: \$1,500

DYLAN FANSHER SCHOLARSHIP: \$1,000

Character. Hard work.

Perseverance. Love of learning.

These are some of the attributes that the Type 1 Champions Scholarship Program rewards.

THE APPLICATION PROCESS

The application for the 2023-2024 school year is available, January, 2023. Visit www.kidswithcourage.org Programs Page to view the information packet, and download the application.

Our current process is a paper application. In time, it is our goal to move our application online. We realize that a big percentage of our intended audience has internet access, but not everyone. Rather than delay monetary awards while we took the time needed to develop what we need administratively, figuring out data storage, securing information or worrying about hackers, helping the students sooner was determined to be the better option.

Only one application is required (annually) to be considered for any of the scholarships we award.
